BUSINESS DESCRIPTION

This retail center for outdoor power products and supplies is a well-established business serving the county and surrounding areas. Representing numerous manufacturers, they offer an extensive line of tractors, lawnmowers, chainsaws, blowers, grass trimmers, ... and more. A full service dealership offering sales, parts and service.

The current owner is ready to move on to other commitments after spending most of his career managing the business. While continuing to experience growth in an improving economy, they are ready to assist the new owner during a transition period and help them take the business to the next level. There are many new business opportunities and markets available with an expanded marketing program and addition of new product lines.

Consider the advantages of investing in this opportunity: 1) excellent business reputation with over 40 years of outstanding customer service, 2) trained employees in place, 3) established vendor relationships with some of the top US manufacturers, 4) a location in a fast growing section of Northeast Oklahoma with limited competition, 5) and most importantly, an established repeat customer based that is already spending money in this business, ensuring positive cash flow from day one.
