BUSINESS DESCRIPTION

From time to time, every home and business today is faced with a pest or animal control problem. And while there are many solutions to choose from, a lot of homeowners find they need professional help to remove or eliminate a pest and/or animal nuisance. This well established service business specializes in keeping pests away from your property. They exterminate current infestations and provide nuisance animal removal and prevention with a focus on customer satisfaction. Serving the Tulsa Metro Area for almost a decade, this flexible business model could easily be operated from home or merged with a related synergistic operation for even more benefits. With a limited number of employees, this business could be managed by one person. Successful marketing programs in 2014 have increased sales and improved cash flow.
